**NEXT DAY DELIVERY GUARANTEED**

At International Abrasives Ltd, we're specialists in abrasives – and proud to be a trusted wholesaler to the UK's Industrial Distribution Market.

We exclusively supply distribution, offering free next-day delivery on all orders over £100. With our central base in Leicestershire, we're perfectly placed to keep things moving quickly and efficiently across the country. All orders are shipped with DPD's industry-leading tracking, so you and your customers are always in the know.

We're the UK exclusive agents for **Weiler Metalynx, Karbosan and Rosver**, three of the most respected names in the abrasive world. Alongside these global brands, we also offer our own high performance house brand: **Inter Grind**.

Run by founders Steve and Mike, our close-knit team includes five Technical Area Sales Managers who cover the entire UK with their combined 150+ years' experience within the abrasives industry. They're always on hand to support your business.

Whether you're a long-standing distributor or just getting to know us, we're here to make abrasives simple, reliable, and always ready when you are.

---

**CORE24** is our expertly curated selection of high-demand, best-selling abrasive products – thoughtfully chosen from our wider range and the leading brands we proudly represent: **Weiler Metalynx, Karbosan, Rosver**, and our own trusted house brand: **Inter Grind**.

This is the inventory you can rely on – essential, fast-moving products we consistently stock and make available for next-day delivery as standard from our wider, extensive range.

Say goodbye to searching through bulky catalogues or dealing with availability issues.

**CORE24** ensures you get exactly what you need, when you need it – backed by full DPD tracking and industry-leading next day delivery.

**If it's in CORE24, it's in stock.**
